FIG. 62

### REMARKS

This Amendment is responsive to the Notice of Allowability mailed on September 26, 2005. The Specification and Drawings have been amended.

In particular, "Summary of the Invention" and "Abstract" have been amended to summarize applicants' invention as recited in applicants' allowed independent claims. The Specification has also been amended to correct typographical and grammatical errors.

FIGS. 47 and 62 have likewise been amended to correct typographical errors in the drawings. In particular, the word "corresponding" (reference number 417) in FIG. 47 and the word "down" (reference number S509) have been corrected. Replacement Drawing Sheets (FIGS. 47 and 62) reflecting these corrections are being submitted with this Amendment to replace original drawing sheets (FIGS. 47 and 62) filed with this application.

Applicants submit that the amendments to the Specification and the Drawings add no new matter in the application. Moreover, these amendments relate to formal matters only and their consideration is not believed to require a substantial amount of additional work on the part of the Office.

Accordingly, entry of this Amendment under the provisions of 37 CFR § 1.312 is respectfully requested.

Additionally, applicants respectfully request that the Examiner telephone applicants' undersigned attorney at the number below to advise applicants' undersigned attorney as to whether or not this Amendment is being entered. This will enable applicants to then determine whether or not to pay the issue fee or take some other action before the due date of

December 27, 2005 for paying the fee.
